

**SUPPLEMENTAL APPLICATION FOR PLANNED RESIDENTIAL DEVELOPMENTS**

**Note to applicant: This form must be submitted with a Conditional Use Permit Application**

The Site Plan included with the Conditional Use Permit Application, when required for review per chapter 15.50 RMC, must include the following provisions as appropriate:

- Open space, drainage ways, buffers, parking, site access, and major features such as streams, shorelines, wetlands, etc.
- Easements for utility maintenance, public access, drainage, and protection.
- Proposed buildings, including identifications of types and number of dwelling units in each.
- Routing of all utilities, including sewer, water, power, and telephone.
- General architectural rendering of typical building types.

Applicant Name: \_\_\_\_\_

Legal description of the property, including names of streets bordering the site: \_\_\_\_\_

\_\_\_\_\_

Project development schedule: \_\_\_\_\_

\_\_\_\_\_

Proposed ownership upon completion: \_\_\_\_\_

\_\_\_\_\_

Basic contents of any proposed covenants, rules, or regulations: \_\_\_\_\_

\_\_\_\_\_

I hereby assure that the open space indicated on the enclosed Site Plan will be maintained and preserved and will not be converted to other uses in the future.
