The security deposit will be refunded in full upon the termination of the lease agreement if the premises is returned to the Lessor without damage or claim.

6. **Illegal Uses Prohibited:** The Lessee further agrees that the premises and any improvements thereon will not be put to any use, which is contrary to the laws or regulations of the United States of America, State of Washington, Pacific County or the City of Raymond.

7. **Leasehold Tax:** The Lessee shall pay to the Lessor at its address in Raymond, Washington, the leasehold tax, if applicable, as set forth in Chapter 51, Laws of 1976, Second Ex. Sess., or as may be amended. The tax shall be due and payable at the same time any payment charged herein is due and payable. Failure to pay said tax when due and payable shall be considered a breach of the provisions of this lease and the Lessor shall be entitled to all remedies to which it is entitled by law, and the remedies provided herein for a breach of a provision of this lease. Taxes as defined herein exclude taxes by or for Lessor. Any delinquent taxes shall be a debt to the Lessor under this lease and in the event the Lessor is subject to any penalties or interest or charges of any kind because of the failure of the Lessee to pay such taxes, such penalties and interest shall be payable by the Lessee to the Lessor and shall be considered a debt to the Lessor. In the event the Lessor suffers or incurs any costs of whatsoever nature, including, but not limited to, attorneys' fees, such costs shall be payable by the prevailing party and shall be considered a debt due and owing under this lease.

8. **Other Taxes:** In the event of any laws or changes in the laws or policies of any federal, state or local governmental body which require that Lessor must pay or collect any tax, fee, license, or charge of any kind to such federal, state or local government body on account of Lessor's ownership or leasing of the property herein demised, Lessee agrees to pay any such tax, fee, license, or charge when due, to such federal, state or local governmental body, or Lessor, as the law requires. Lessee agrees to furnish all information necessary to Lessor as may be reasonably required to enable Lessor to comply with or be assured of Lessee's compliance with such laws.

9. **Liability and Hazard Insurance:** The Lessee further agrees that it will maintain Commercial General Liability Insurance for any injuries or damages to Lessor or third parties arising out of its operations, including extension of said coverage to injuries or damages occurring on Lessor's parking areas and grounds, with Lessor named as an additional insured party, in an amount not less than \$1,000,000 property damage and bodily injury single limit per occurrence and \$2,000,000 aggregate. Lessee further agrees that Lessor will maintain Special Form Property Insurance upon the premises in an amount not less than the replacement value of the demised premises and improvements of which Lessee will reimburse the Lessor for the premium on an annual basis. Lessee will provide Lessor with a certificate of insurance evidencing the coverage required by the paragraph and will immediately upon cancellation of any of the required coverage,

provide the Lessor with the maximum period of written notice possible but not less than thirty (30) days.

Lessor reserves the right to unilaterally, at its sole discretion, require Lessee, at any time during the term of this lease, to increase the policy limits or to change the form of the insurance coverage required under this paragraph. Provided, however, that Lessor shall not require any increase or change in form that is unreasonable.

10. **Indemnification/Liability Insurance:** Lessor, its employees and agents shall not be liable for any injury (including death) to any persons or for damage to any property, regardless of how such injury or damage be caused, sustained or alleged to have been sustained by Lessee or by others as a result of any condition (including existing or future defects in the premises), or occurrence whatsoever related in any way to Lessee's premises and the areas adjacent thereto or related in any way to Lessee's use or occupancy of the premises and areas adjacent thereto, so long as such injury or damage is not proximately caused or contributed to by action of the Lessor, its employees or agents. Lessee agrees to indemnify, defend and to hold and save the Lessor harmless from all liability or expense (including expense of litigation) in connection with any such items of actual or alleged injury or damage. In addition, Lessee shall, at its own expense, maintain proper liability insurance as set forth herein, to insure the Lessee and to indemnify the Lessor against such liability or expense. Lessee shall not be liable for and Lessor hereby agrees to indemnify, defend and hold harmless and release Lessee, its Board of Directors, officers, agents and employees from and against all liability or expense (including expense of litigation) in connection with a claim caused by the gross negligence or intentional misconduct of Lessor or its officers, agents, or employees.

If the Lessee sells alcohol, the Lessee shall provide a Liquor Legal Liability Insurance Policy, including contractual liability with minimum limits of \$1,000,000 per occurrence and \$2,000,000 annual aggregate.

11. **Entire Agreement:** This lease contains the entire agreement of the parties and no representations, promises or agreements, oral or otherwise, between the parties not embodied herein shall be of any force or effect. Neither this lease nor any provision hereof may be changed, waived, discharged or terminated orally but only by instrument in writing executed by Lessor and Lessee.

12. **Utilities and Services:** Lessee shall be liable for and shall pay for all utility services furnished to the premises, including but not limited to, electricity, water, sewer and garbage service, including any connection fees, and any fire protection, police protection, or emergency health services as furnished by local authorities and as may be the subject of a contract between the Lessor and such local authorities or as imposed by ordinance or statute.

13. **Waiver of Subrogation:** The Lessor and the Lessee hereby mutually release each other from liability and waive all right of recovery against each other for any loss from perils insured against under their respective insurance contracts, including any

extended coverage endorsements thereto, provided, that this paragraph shall be inapplicable to the extent it would have the effect of invalidating the insurance coverage of the Lessor or Lessee.

14. **Inspection:** The Lessor or its authorized representatives reserves the right to inspect the premises at all reasonable times throughout the term of the lease, provided that it shall not interfere unduly with Lessee's operations. The right of inspection reserved to the Lessor hereunder shall impose no obligation on the Lessor to make inspections to ascertain the condition of the premises, and shall impose no liability upon the Lessor, for failure to make such inspections. The Lessor shall have the right to place and maintain "For Rent" signs in conspicuous places on the premises for a reasonable period prior to the expiration or sooner termination of the lease.

15. **Advances by City for Lessee:** If Lessee shall fail to do anything required to be done by it under the terms of the lease, except to pay rent, the Lessor after providing written notice and opportunity to cure pursuant to Paragraph 28, may at its sole option, do such act or thing instead of Lessee, and upon notification to Lessee of the cost thereof to the Lessor, Lessee shall promptly pay the Lessor the amount of that cost. However, if the Lessor shall pay any monies on Lessee's behalf, Lessee shall repay such monies.

16. **Termination by the City for Public Use:** In the event the Lessor shall require the use of the premises for public use in connection with the operation of the business of the Lessor, then this Lease may be terminated by Lessor by written notice delivered or mailed by the City to the Lessee six (6) months or more before the termination date specified in the notice, and damages to Lessee, if any, resulting therefrom to be determined by agreement between the parties hereto, otherwise by arbitration as herein provided. Damages or other compensation shall be determined in accordance with RCW 53.08.010 and Title 8 as appropriate and shall not exceed the unamortized portion of all construction and improvement costs previously incurred or contracted by the Lessee.

17. **Invalidity of Particular Provisions:** If any term or provision of this lease or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this lease or the application of such term or provision to such persons or circumstances other than those as to which it is held invalid or unenforceable shall not be affected thereby and shall continue in full force and effect.

18. **Waiver:** The acceptance of rental by Lessor for any period or periods after a default by Lessee hereunder shall not be deemed a waiver of such default unless the Lessor shall so intend and shall so advise Lessee in writing. No waiver by the Lessor of any default hereunder by Lessee shall be construed to be or act as a waiver or any subsequent default by Lessee.

19. **Non-Discrimination:** The Lessee covenants and agrees that in the performance of this lease agreement, the Lessee shall conduct its activities in a manner that will assure fair, equal and non-discriminatory treatment of all persons regardless of

race, creed, sex, marital status or ethnic origin. The Lessee shall comply with all applicable federal, state and local laws, rules or regulations concerning hiring and employment and assuring the service of all patrons, customers, members or invitees, without discrimination as to any person's race, creed, sex, marital status or ethnic origin.

20. **Premises to be Clean:** Lessee shall at all times keep the premises, as well as any work areas, and other areas adjacent to the premises, neat, clean, in a safe and sanitary condition and free from infestation of pests. Lessee shall keep all areas in the vicinity of the premises free from the accumulation of disposable products and other litter generated by the operation of Lessee's business.

21. **Liens, Insolvency:** The Lessee shall keep the leased premises (excluding improvements) free from any lien arising out of any work performed, materials furnished or obligations incurred by the Lessee. In the event the Lessee becomes insolvent, voluntarily or involuntarily bankrupt, or if a receiver or their liquidating officer be appointed for the business of the Lessee, then the Lessor may cancel this Lease at the Lessor's option.

22. **Notices:** Any notice required to be served in accordance with the terms of this lease or as required by law shall be sent by mail, the notice from the Lessee to the Lessor at its office at the City of Raymond, 230 Second Street, Raymond, WA 98577 and the notice from the Lessor to be sent to the Lessee at Connie Becerra and Kevin McCollum, Third Street Bakery & Bistro, Raymond, WA 98577

23. **Default:** Time is of the essence of this lease and if the Lessee shall fail to keep and perform any of the covenants or agreements herein contained and shall fail to remedy any such default thereof within 30-days, 10-days in the case of delinquent rent, after written notice thereof by Lessor to Lessee, (or if the default is of a character which cannot be remedied within 30-days after such notice, then if the Lessee shall fail to commence to remedy such default within such 30-days and thereafter proceed diligently and continuously to remedy such default), Lessor may at its option declare this Lease canceled and forfeited and the Lessee's right to possession ended and the Lessor may re-enter said premises with or without process of law and take possession thereof. The Lessor shall not be liable for any damage by reason of such re-entry or forfeiture. If upon such re-entry there remains any personal property of the Lessee or of any other person upon the leased premises, the Lessor may, but without the obligation to do so, sell the same as provided in paragraph entitled "Redelivery of Premises", remove said personal property and hold it for the owner thereof or may place the same in a public garage or warehouse, all at the expense and risk of the Owners thereof, and the Lessee shall reimburse the Lessor for any expense incurred by the Lessor in connection with such removal and storage. The Lessor shall have the right to sell such stored property, upon fifteen (15) days' written notice to the Lessee, after it has been stored for a period of 30-days or more, the proceeds of such sale to be applied first to the costs of such sale, second to the payment of the charges for storage, and third to the payment of any other amounts, which may be then due from the Lessee to the Lessor, and the balance, if any, shall be paid to the Lessee. Notwithstanding any such re-entry, the liability of the Lessee for the

full rental provided for herein, shall not be extinguished for the balance of the term of this Lease, and the Lessee shall make good to the Lessor any deficiency arising from a re-letting of the leased premises at a lesser rental than that herein before agreed upon. The Lessee shall pay such deficiency upon demand by the Lessor after the Lessor thereof ascertains the amount.

24. **Interest During Default:** All monthly payments under this lease are due on the first day of each month, and if not paid within ten (10) days of that date, all monthly payments and any other charges then due under this lease shall bear interest from the due date until paid, at the highest rate permissible under RCW 19.51.020, being the higher of 12% per annum or four (4) percentage points above the equivalent coupon issue yield (as published by the Federal Reserve Bank of San Francisco at the average rate for twenty-six (26) week Treasury Bills as determined at the first bill market auction conducted during the preceding calendar month), or as said statute may be amended from time to time.

25. **Signs – Advertisements:** All signs or symbols posted or displayed on the leased premises by Lessee shall be subject to the prior approval of the Lessor or Lessor's agent, which shall not be unreasonably withheld.

If Lessee utilizes the name of the Lessor in any of its advertisements or publicity of any type, Lessor shall have the unilateral right to approve or disapprove of such use. If the City disapproves of such use, Lessee shall not so utilize the name of the Lessor.

26. **Nuisances:** Lessee further agrees that it will not cause or permit a public nuisance, as defined under local, state, or federal law, upon or at the leased premises.

27. **Assignment:** The covenants of this lease shall be binding upon the legal heirs, successors and assigns of any or all the parties hereto.

28. **Expenses Due to Breach:** If, by reason of any default on the part of any party in the performance of any of the provisions of this lease, it becomes necessary for the non-defaulting party to incur any expense, or to employ an attorney, the defaulting party shall pay all costs, expenses (including collection agency charges) and attorneys' fees expended or incurred by the non-defaulting party in connection therewith.

29. **Guarantees:** The undersigned Guarantors hereby irrevocably guarantee the performance of all the terms and provisions of the foregoing lease by the Lessee therein named.

30. **Venue:** Lessor and Lessee consent to and agree that in the event any disputes or legal actions are commenced and litigated between Lessor and Lessee regarding the terms, conditions, rights, duties and obligations of the parties pursuant to the terms of this Lease, the Superior Court of Washington, County of Pacific shall have exclusive jurisdiction of such disputes and/or legal actions. The parties further agree that this Lease is entered into in Pacific County, Washington, the place where the premises

are located. This Lease shall be construed and interpreted in accordance with the laws of the State of Washington.

31. **Amendment:** The terms of this Lease may be amended, revised, or supplemented by written mutual agreement of the parties.

Also, the Lessor and/or the Lessee may terminate this lease in whole by at least thirty (30) days written notice. This does not include Section #16

32. **Counterparts:** This Lease may be executed in any number of counterparts, each of which shall be a valid and binding original, but all of which together shall constitute one and the same instrument.

Hi Jeff,

I have attached the three updated quotes for the lighting packages for the Raymond Theatre. You'll notice that many of the prices have increased since the previous quote, so I've verified the current pricing with my vendor so they will remain valid for 30 days. All of the totals on the quotes include both a \$500 contingency charge (hopefully unnecessary) and all taxes.

All three options utilize the current lighting mounts with the exception of Package C which includes a pair of ETC ColorSource Linear 2 strip lights intended to be used as a cyc wash, footlights, or side lighting from either the floor position or from pipes and bases (not included).

While the Teatronics dimmers can be adjusted and utilized as 'non-dim' channels for powering the new fixtures, the dimmer pack becomes an unnecessary 'active' component in line and it may be worth considering removing one of the dimmer racks and replace it with a simple circuit breaker box and outlets to distribute power. The other dimmer pack will continue to be used for the house lighting and any other conventional fixtures still in use.

These options do maintain control of the house lighting from the lighting console/controller but they do not offer any remote locations for controlling the house lighting.

One available method would be to add either a 'Preset 10 - DMX Snapshot Console' (~ \$800.00) or a 'PRE10-A2: Preset 10 Architectural' (~ \$1500.00) from Doug Fleener Design to a remote location and have an electrician install either a single or double gang wall box and a conduit run up to the booth to connect to the rest of the system.

A second option would entail upgrading the ETC SHoW Baby wireless transmitter to an ETC Multiverse Transmitter capable of connecting to the DMXcat mobile app, however since the Multiverse Transmitter uses ArtNET for its control input rather than a standard DMX cable it will also require at least a minimal level of network capability in the theatre which may be more complexity than is required at the moment. Should you decide to implement ArtNET now or in the future, the BlueLite X1 software can send all 16 available universes. This does offer the ability to control other DMX equipment, such as media servers, without additional BlueLite X1 DMX hardware needed.

While prohibitively expensive for the current budget, if additional funding becomes available for power, control, and/or rigging upgrades, ETC also offers their ECHO Unison series of products which include the Echo Touch, Echo Inspire Control Stations, and the Echo Preset Stations.

I would recommend using existing fixtures for the stairs and front of the stage at this time, although the moving lights in PACKAGE C would allow them to be positioned to light the front of the stage if desired. The stairs can have DMX controlled led strips added at a later time to provide controlled lighting. City Theatrical offer several variations of their QolorFLEX® LED Lighting including their QolorFLEX® NuNeon products.

Here are some screenshots showing the various fixtures used in Package A.

PACKAGE A

5 – ETC ColorSource Spot Jr

3 – ColorSource Pars (Note: various 'shaping' lenses are available for the PAR units)

6 – ColorSource Spot

Let me know if you have any questions, comments, would like to see additional images, or would be interested in having me send you a copy of the 3D model file for Capture for you try out the various packages for yourself.

Thank you for considering Light In Motion Show Control, LLC.
