Kayla,

I am formally requesting that the Raymond Police Department be allowed to have continuous testing until enough applications are recorded to have a civil service test, in the event of disqualifications, removals etc. I believe that this will possibly increase the number of applications that may be entered. Thank you in advance.

Kayla,

I would like to respectfully ask that the Civil Service Commission grant Raymond Fire Department the ability to conduct continuous testing for the positions of both Entry and Lateral Firefighter EMT and Paramedic. I believe this would serve our department very well with the challenges we face in attracting applicants in today's competitive job market. Thank you very much.

Sincerely,

Bill Didion

Fire Chief
