Work shall be performed by:

**INSTRUCTIONS FOR APPLICANT:**

- Drawings or statements describing work to be performed shall accompany such applications.
- Drawings shall be to a working scale, showing position and location of work, names or numbers and width of roads, streets, etc., showing their location in plats, or subdivisions of sections, township and range, showing the relative position of such work to existing utilities, constructed, laid, installed or erected upon such roads, streets or public places.
- Applications shall meet the provisions of the Standards of Good Practice – Accommodation of Utilities on County Roads (WAC 136-40). Traffic control in the vicinity of the work shall conform to provisions of "The Manual on Uniform Traffic Control Devices (MUTCD). The improvement or utility must comply with the state clear zone policy.
- The applicant must obtain any environmental protection permits relative to the project and must comply with state laws during construction.
- PERMIT NOTICE: Other Federal, State, and County approvals may be required prior to construction.

*All permits shall be picked up within 30 days of notification by the City of Raymond that the permit is ready for issuance. Failure to pick up the outstanding permit(s) and pay all outstanding fees within the specified timeframe shall result in the forfeiture of all permit documentation and all application fees paid to date on that project. Any subsequent permitting on the same parcel by the same property owner requires the submittal of new permit application materials and the payment of all new fees at the time of application.*
